PROGRAM OVERVIEW

This four course, part-time, online program is designed for staff who aspire to move into leadership positions within the rapidly expanding long-term care industry. The program will build on your experience and background, providing you with an overview of the key concepts necessary for successful leadership in long-term care. You will learn about the uniqueness of the long-term care environment, the legislative considerations and the population being served. You will be challenged to apply concepts that support a culture of continuous quality improvement where residents feel safe, secure and satisfied in receiving care that meets their needs.

The Long-Term Care Management Statement of Completion is right for you if:

- You're ready to launch your career in long-term care or are seeking to move from entry-level to administrative and professional-level positions
- You've been working in long-term care and want industry specific education to position yourself for career advancement
