

**Attention Health Care Aides! Help
NCAS field test the new HCA
assessment!**

May 30, 2021, 4:00pm - 9:30pm

\$100 for participating

Help us make your profession better! The Nursing Community Assessment Service (NCAS) is looking for **experienced HCAs, recent HCA graduates, and HCA students** to field test our new HCA assessment.

Field testing is part of our quality assurance program, and helps us make sure that our exams are high-quality. All you have to do is complete our HCA assessment at Langara College and share your feedback with us. Results are anonymous, and will never be shared with your employer, colleagues, or teachers.

The session will include the following:

Knowledge assessment	Simulation assessment
<ul style="list-style-type: none">• Answer multiple-choice questions on a computer or on paper	<ul style="list-style-type: none">• Complete 5 clinical skill-based hands-on simulation stations (12 minutes each)
